

"The Urban-Hope Initiative"

Yes! I want to join UNOH's new 'Urban-Hope Initiative'!

I join this campaign to:

- 'See' more clearly the plight of the urban poor and my own role in the world.
- 'Feel' more compassion for those living in urban poverty.
- 'Cross over' to be in solidarity with those living in urban poverty.
- Find something life-giving to 'do' to help release people from urban poverty.

Knowing that good intentions are not enough to see real urban-hope emerge, I commit to act by.
